 _____ Yes _____ No _____ Artist's Discretion

Common Questions

Will my child's artwork be damaged? No
Will my child's artwork be returned? Yes
What does "Artist's Discretion" mean? Our artists are professional graphic designers whose goal is to produce for you a poster print you and your child will be proud to hang in your home or give as a gift. They will use their experienced judgement is cropping, positioning the artwork as well as the background color.
What does "crop" mean? To "crop" artwork means to move in from the edges and not show the entire image. With a Your Kid Casso poster print, that usually means trimming in an edge or two on the scan.
What does "touch up" mean? This is very minor fixing on the scan of the artwork and usually entails digitally removing a tack hole, a bent or torn edge. We will never alter the integrity of the artwork.
How big can the artwork be? Any scan for artwork that is under 11" x 17" is included with a Your Kid Casso poster print. A \$25.00 scan charge is added for artwork 11" x 17" up to 17" x 22". Artwork larger than 17" x 22" will be special quoted.
Can I submit 3-dimensional artwork? No. 3D artwork does not scan properly and we are not currently offering photographic options.
